#### Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, tribal and local governments, federal and state health agencies and the Coeur d'Alene Tribe's health authority, recommend social distancing and have, in many locations, prohibited or discouraged the congregation of groups of people.

Boys & Girls Clubs of The Coeur d'Alene Tribe ("Club") has put in place preventative measures to reduce the spread of COVID-19; however, the Club **cannot guarantee** that you or your child(ren) will not become infected with COVID-19. Further, **attending the Club or club activities could increase** your risk and your child(ren)'s risk of contracting COVID-19.

By signing this agreement I attest that my child(ren) is not experiencing any symptom of illness such as cough, shortness of breath or difficulty breathing, fever, chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell; I have not traveled with my child(ren) to a highly impacted area within the United States of America in the last 14 days; I do not believe my child(ren) has been exposed to someone with a suspected and/or confirmed case of the Coronavirus/COVID-19; and we are following all CDC recommended guidelines as much as possible and limiting our exposure to the COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the Boys & Girls Club of the Coeur d'Alene and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the Club may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Club employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at the Club or participation in Club programming ("Claims"). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless the Club, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Club, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Club program. Nothing in this waiver shall be construed to in any way to diminish or waive the sovereign immunity of the Coeur d'Alene Tribe.

## Boys and Girls Club | Behavioral Health

### Behavioral Health Informed Consent Statement

The Boys and Girls Club of the Coeur d'Alene Tribe (BGC) is committed to providing resources available within the Marimn Tribal Health Clinic to its participants. We want to help students better understand the world they live in and make better decisions that help them live functional lives. Behavioral Health services are available to help youth deal with emotionally difficult situations and learn positive coping skills. These services include crisis counseling, assessments, treatment planning, individual or group psychotherapy, case management and referrals. We want to offer these services to Boys and Girls Club participants.

There will be a Behavioral Health provider present at the Boys and Girls Club of the Coeur d'Alene Tribe who may interact with your child to build rapport and potentially respond to emotional crises your child might be experiencing. This interaction between the provider and your child may resolve the problem, or it may lead to further Behavioral Health services. If the Behavioral Health provider has contact with your child, the provider will reach out to you about Behavioral Health services. Your child may have the option to have regular appointments with the counselor during BGC times or at another agreed upon appointment time. You should understand that there may be both risks and benefits associated with participation in counseling. Behavioral Health interventions may improve your child's ability to relate with others, provide a clearer understanding of himself/ herself, along with setting goals, and their ability to deal with everyday stress. Behavioral Health services may also lead to unanticipated feelings and change, which might have an unexpected impact on your child and his/her relationships.

### Confidentiality

In order to build trust with the child, the Behavioral Health provider will keep information confidential with some possible exceptions. The provider may share information with parent/ guardians, Marimn Health Behavioral Health team in general staffing, or BGC staff who work with the child on a need-to-know basis so that we may better assist the child as a team. The provider is required by law to share information with parents or others in certain circumstances:

- Presenting a serious danger to self or another person
- Evidence or disclosure of abuse (physically or sexually) or neglect
- Threats to BGC/ Wellness Center security
- Criminal or delinquency proceedings are pending

The provider will make the child aware of these limits of confidentiality and will inform the child when sharing information with others. If you would like the provider to share information with a third party, such as a school counselor (outside of the Marimn Health team), psychiatrist, social services worker, or primary care provider, you will need to sign an additional release of information form.
